

# The Alnwick/Haldimand Public Library Summer Reading Club is BACK!

We invite you to join us as we create new memories this summer.

Feed Your Passions is the theme this year and it is sure to be an exciting summer! The program will run at the same locations, on the same days as in the past, and will be between one and two hours long.

We look forward to seeing you as we explore and discover passions and interests all summer long!
